

"DO IT FOR JOE" FUND-RAISER

IT IS NOT OFTEN IN LIFE THAT YOU GET TO GIVE SOMETHING TO A GREAT PERSON.

THIS IS ONE OF THOSE CHANCES.

Our good friend, Joe Matthews, was recently struck with a life threatening enlargement of the heart. He is currently at Stanford Medical Hospital and is awaiting a heart transplant. Joe is a 19 year old student, rugby and CrossFit athlete. Joe has medical insurance, but as we all know that does not pay for everything, especially with the serious malady that he has. **Most urgently, \$40,000 is needed to harvest a donor heart—a procedure which is not covered by the insurance company.**

Please join us for an ultimate CrossFit workout with some of your favorite trainers: Brendan, Nicole, Tony, Annie, and one and only CrossFit Founder, Greg Glassman.
