1 OVERVIEW

1.1 ABOUT CROSSFIT
CrossFit is an international corporation dedicated to improving health through nutrition and exercise. CrossFit is founded on the first precise, scientifically rigorous definition of fitness, and the program produces observable results that can be measured and replicated. These results are seen in numbers logged in gyms and medical labs, and the data confirms that CrossFit greatly improves both athletic performance and health.

CrossFit’s simple yet potent nutrition prescription is combined with a general-physical-preparedness program that can be modified to challenge people of all ages and abilities—an Olympian or an elderly, overweight, chronically ill individual who has never worked out before. All CrossFit participants become measurably fitter and healthier as they reduce intake of refined carbohydrates and use constantly varied, high-intensity functional movements to reap the benefits of improved work capacity across broad time and modal domains.

CrossFit has two main operating divisions. The CrossFit Certification and Training Department is the world’s leading provider of ANSI-accredited performance-based training seminars and certifications. The CrossFit Affiliate Department licenses the CrossFit trademark to qualified trainers for commercial purposes. Each division contributes directly to building and supporting a community of genuine fitness practitioners who are united in the pursuit of health.

1.2 MISSION
The mission of the CrossFit Certification and Training Department is to provide industry-leading accredited certification and certificate programs that establish and support an international community of authentic, highly trained fitness practitioners who improve health and fitness worldwide.

1.3 LEVEL 1 TRAINER CERTIFICATE SCOPE
The CrossFit Level 1 Certificate Course is a two-day introductory course on methodology, concepts, and movements.

The course includes classroom instruction on: CrossFit’s concepts and methodology, CrossFit’s foundational movements, programming to optimize training results, and nutrition strategies to support fitness.

Practicals include small group training sessions where participants are instructed in CrossFit’s foundational movements under low intensity with a focus on improving mechanics. Participant movement is refined. Additional focus is placed on identifying movement faults and applying corrective strategies for coaching others.

Large group CrossFit workouts are conducted as an example of the following:

- How to run a CrossFit class.
- How to hold a standard of proper mechanics and coach others under high intensity.
- How to scale for any ability level.

Participants are not permitted to work out during seminar hours (8 a.m.–6 p.m.) outside of workouts conducted as part of the course. Understand that the host is under no obligation to accommodate additional training requests. Please make accommodations to conduct any additional training, including but not limited to Open workouts, Qualifiers, online competitions, and personalized programming, either before or after you attend the seminar. Our intention is to ensure you are able to fully and safely enjoy the course experience. Please trust our discretion in this matter.

1.4 PURPOSE
The purpose of the course is to provide participants with an introductory-level education on the fundamental principles and movements that make up the CrossFit program.

The Level 1 Course is structured to meet a two-fold goal:
1. Provide attendees with the understanding to better use CrossFit methods for themselves; and
2. Provide attendees with the initial and foundational education needed to begin training others using CrossFit.

For trainers-to-be the purpose of the Level 1 Course is not to provide an exhaustive CrossFit education, but rather to provide an initial credential and foundation through which to gain expertise safely and effectively with practice and experience. The CrossFit Level 1 Trainer (CF-L1) credential is one of the requirements for becoming a CrossFit affiliate. However, earning the CF-L1 should not be considered the end of an education to be a trainer, but rather the beginning.

1.5 LEARNING OUTCOMES
After completing this course and successfully passing the CrossFit Level 1 test, participants will be able to:

- Define the core concepts of the CrossFit program.
- Identify the primary points of performance of foundational and additional movements.
- Identify violations of sound movement.
- Apply appropriate corrections toward improved movement.
- Apply the CrossFit program safely and effectively.

1.6 ACCREDITATION
In 2010, the CrossFit Level 1 Certificate Program became an accredited certificate program under the American National Standards Institute (ANSI). Accreditation means that ANSI ensures the Level 1 meets its stated goals, and CrossFit is subject to annual program audits for this purpose. CrossFit chose ANSI because it has a reputation as a leader and demonstrates rigor in accrediting programs.

1.7 LEVEL 1 CERTIFICATE TEST
The CrossFit Training Department and Advisory Panel are responsible for the development and oversight of the test and policies that govern eligibility and administration of the Level 1 test. Additionally, an external third-party testing agency is consulted for psychometric expertise.

The Level 1 test is based on the core concepts, methodology and foundational movements of CrossFit and measures participants’ understanding of these areas. All Level 1 test content comes directly from the information presented at the Level 1 Course and the CrossFit Level 1 Training Guide.

Test forms are beta-tested multiple times to ensure they are accurate representations of the course material, are statistically valid, and that they demonstrate an appropriate level of difficulty.

CrossFit administers paper tests for the Level 1. Tests are scored electronically using a secure internal web-based scoring interface system.

The test contains 55 multiple-choice questions, including five unscored questions that are not included in participants’ scores (SECTION 1.8).

Participants testing in English are given 60 minutes to complete the test. Participants testing in a non-English language receive 75 minutes to complete the test. No notes or study materials are permitted to be used during the test.

Participants must correctly answer 34 of the 50 scored questions to pass. The minimum passing score is set relative to the minimum knowledge that new CrossFit trainers should be able to demonstrate. These minimum requirements are determined through psychometric analysis and approved by the Level 1 Advisory Panel.

Participants may opt out of taking the test. Those who choose not to take the test will be awarded a Certificate of Attendance. A Certificate of Attendance does not afford the designation and rights of a CF-L1 and thus is not sufficient for training others using CrossFit methods or applying for affiliation with CrossFit.
1.8 NON-SCORED TEST QUESTIONS
The Level 1 test contains five unscored questions that are being “pretested” or evaluated for future use. These questions are not scored and they do not affect an individual’s pass/fail status. The unscored questions are scattered throughout the test so participants will answer them with the same effort that they give to the actual scored questions.

To ensure the Level 1 test reflects current information, new questions must be continuously introduced and evaluated. Pretesting is an accepted practice that creates a statistically sound standardized test and allows participants to receive scores that are based only on questions that had previously been pretested.

1.9 INSTRUCTOR QUALIFICATIONS
All Level 1 Course Instructors have, at a minimum, passed the Level 1 test, hold a current CrossFit Level 2 Trainer (CF-L2) credential, and have worked at or owned a licensed CrossFit Affiliate for at least one year. Each has been screened and developed, and each has demonstrated his or her competency through rigorous peer review and CrossFit staff training. Positions on staff are competitive, and this training, professional development, and evaluation are ongoing throughout each instructor’s time on staff. Many of our trainers have extensive personal qualifications and backgrounds in strength and conditioning, college-level sports, and the professional health and fitness industry. Additionally, there are doctors, lawyers, executives, teachers, military, and law enforcement professionals, and many other arrays of experience and talent among the CrossFit Instructor staff. For qualifications of a specific Level 1 Course Instructor, please contact the instructor directly.

1.10 PROGRAM UPDATES
Any changes to the Level 1 Trainer Certificate Program’s purpose, scope, requisites, and intended learning objectives, as well as any changes to the registration process and any and all other changes that may affect participants, will be kept up to date within this Participant Handbook. The most current version will always be available here.

2 ELIGIBILITY REQUIREMENTS

2.1 ELIGIBILITY
Participants are eligible for the CrossFit Level 1 Trainer Certificate if they:

- are at least 17 years old at the time of testing,
- have no outstanding balances for prior CrossFit Certificate or Specialty Courses,
- have no pending legal cases with CrossFit, Inc.,
- have no known documented violations of the Code of Conduct, and
- have no known documented violations of the CrossFit Level 1 Trainer License Agreement.

2.1.1 AGE
If a participant attends while under the age of 17, he or she will not be permitted to take the test at that time and will receive a Certificate of Attendance. To complete the requirements for a Level 1 Certificate, participants must pass the test after reaching the age of 17. Their original registration will grant them one free test attempt if that attempt occurs within one year from the date of their course attendance. If they do not reach the age of 17, or if they are unable to pass the test within one year from the date of their course attendance, they will have to reattend the full course (and pass the test).

Individuals under the age of 14 are not permitted to attend the course.
2.2 CODE OF CONDUCT
The following are acts that CrossFit considers unacceptable. Any current CF-L1 or candidate for the CF-L1 found engaging in them will be removed from the public Trainer Directory and prohibited from revalidating their CF-L1 and/or obtaining additional credentials with CrossFit.

Prohibited behavior includes:

- Breaching confidentiality agreements, such as the Confidentiality Agreement signed during the registration process for the Level 1 Course and test,
- sharing discount codes, including those for course registrations,
- selling scholarship spots, such as those allotted to a host for CrossFit seminars,
- wrongful use of the CrossFit name, such as marketing CrossFit services without affiliation, and/or
- false representation of CrossFit Trainer credentials, including altering or forging Trainer Certificates.

2.3 STATEMENT OF NON-DISCRIMINATION
CrossFit endorses the principles of equal opportunity. Eligibility criteria for test and qualification as a CF-L1 are applied equally to all participants regardless of age, race, religion, gender, national origin, veteran status, sexual preference or orientation, or disability.

2.4 CERTIFICATE REQUISITES
CrossFit Level 1 Trainer Certificate issuance is based upon the fulfillment of the following certificate requisites:

- Attendance for the entire two-day course from approximately 9 a.m. – 5 p.m. both days, including:
  - 100% exposure to all lectures
  - 100% participation in all practical sessions
  - 100% participation in all workouts
  - passing the Level 1 test in person
- Signing the CrossFit Level 1 Trainer License Agreement
- Agreeing to the policies in the Level 1 Participant Handbook
- Agreeing to the Waiver & Release of Liability,
- Agreeing to the Confidentiality Agreement
- Paying all course/test fees in full

Only by fulfilling all of the above stated requisites will a participant be awarded a Level 1 Certificate. Participation is defined as actively participating in all group activities and movements, exercises, and workouts. Attendance is defined as being present from start to finish each day of the course. If a participant misses or does not participate in any part of the course, he or she will not be allowed to test until those certificate requisites are met. The participant is required to attend those select parts of the course at a seminar within six months of original attendance and then take the test. There is not an additional charge to attend the missed parts at a separate seminar.

Participation in all workouts is required to receive a Level 1 Certificate. All workouts can and will be scaled appropriately to meet the needs and current fitness levels for all participants. Please see the lead instructor at the beginning of Day 1 in order to arrange for appropriate scaling and accommodations.

Due to the introductory nature of the course, participants may choose to opt out of taking the test. If a participant opts out of or fails the test, a Certificate of Attendance will be issued. Certificates of Attendance do not afford the CF-L1 designation.

Participants are expected to be respectful of the learning environment, CrossFit staff, and each other. CrossFit’s lead instructors reserve the right to dismiss any individual who is disrespectful to others and/or disruptive to the course in any way.
3 REGISTRATION PROCESS

3.1 REGISTRATION AND FEES

All participants are required to register for the Level 1 Course at Training.CrossFit.com under the link for the specific event. For legal and licensing reasons, each participant must complete his or her own registration.

The link will take the participant to a third-party registration system for registration and fee collection. Each participant must log in with their CrossFit ID profile. If they do not have a current CrossFit ID profile, they will be prompted to create one using their legal name and personal email address.

During the registration process, participants are required to provide their contact information and agree to the policies outlined in this Level 1 Participant Handbook, Confidentiality Agreement, and Waiver & Release of Liability. Each participant under the age of 18 must present a waiver completed and signed by his or her parent or legal guardian at check-in on Day 1 for their course. The waiver can be found in Section 8.3 of this handbook. **Participants under the age of 18 may not participate in the course without presenting this signed document to on-site course instructors prior to the start of the course.**

After agreeing to the policies, participants will be permitted to complete the registration process and submit payment for the course. Current fees can be found [here](#).

A minimum deposit of 50% of the course fees is required at the time of registration. Remaining fees will automatically be billed two (2) weeks prior to the course date.

A 20% fee will be added if the participant registers 14 days or less prior to the course date.

Due to the large quantity of courses scheduled, CrossFit does not accommodate refunds or transfers.

Email seminars@crossfit.com for discounts for active duty or retired military personnel (upon 20 years of service or permanent medical retirement), first responders, and full-time school teachers. Discounts cannot be applied toward retaking a test.

After completing registration, CrossFit will send participants a confirmation email. The confirmation email also contains the link to the most up-to-date [CrossFit Level 1 Training Guide](#) (study material for the test).

Participants must bring a printed version of their confirmation email, a government-issued photo ID, and a No. 2 pencil with an eraser to their course.

3.2 IDENTITY AND TEST SECURITY

Individuals taking the Level 1 test shall acknowledge that they understand the following through their registration:

Individuals verify that they have read and agree to all policies and procedures in this Level 1 Participant Handbook. These include but are not limited to:

- security policies,
- invalidation policy for falsification of identity,
- certificate requisites,
- eligibility requirements,
- test-site rules,
- participant confidentiality,
- certificate designation and use,
- registration process,
- special test accommodations policy (including language accommodations),
- test handling policy,
• test administration conditions, and
• the appeals process and policy.

The examinations and the questions contained therein are the exclusive property of CrossFit and are protected by federal copyright law. No part of the examination(s) may be copied or reproduced in part or whole by any means whatsoever, including memorization.

3.3 LANGUAGE
The default language for the Level 1 Course is English. In some countries, a translator is provided. For translated courses, lectures and small-group practicals are translated in real time. Courses with a translator are specified in the “Language” section from the seminar registration link on CrossFit.com.

Unless indicated in the “Language” section on the course registration page, no translator will be provided, and the course will be in English only. **For bilingual participants taking an English-only course, we highly recommend taking the test in English because there will be no translation of the material presented during the course.**

Participants who wish to bring a translator to a course must contact testing@crossfit.com at least two weeks prior to the course date for approval. There may be an additional fee for the translator’s attendance.

Participants may request to use a foreign-language dictionary or receive more time on the test if English is not their primary language. Permission for any language accommodations must occur ahead of time by emailing testing@crossfit.com at least two weeks prior to the course date.

Upon registration for the course or retest, participants are prompted to select their preferred test language. For participants requesting to take the test in a language other than English, the request must be made at least two weeks prior to the course or retest.

If the Level 1 Test or training guide is not available in a participant’s preferred primary language and the participant is not confident in his or her English comprehension, we strongly urge the participant to consider attending at a later date when his or her primary language is available. If the participant’s preferred test language is not available and he or she still decides to test and fails, the test result will be final, and the participant will be subject to all re-test policies in Section 3.4 of this handbook.

3.3.1 AVAILABLE LANGUAGES
Currently, the written test is offered in the following languages:

- Arabic
- Chinese (Simplified)
- English
- French
- German
- Italian
- Japanese
- Korean
- Polish
- Portuguese (Brazilian)
- Russian
- Spanish (Castilian)
- Spanish (Latin American)
The CrossFit Level 1 Training Guide (study material) is available in the following languages:

- Arabic
- Chinese (Simplified)
- English
- French
- German
- Italian
- Japanese
- Korean
- Polish
- Portuguese (Brazilian)
- Russian
- Spanish (Castilian)
- Spanish (Latin American)

The most up-to-date versions of the training guide in each language can always be found [here](#). The English version should be considered the most current and complete information for the course. CrossFit is continually in the process of updating existing versions and adding new languages.

3.4 RETESTING: PARTICIPANT FAILS

Participants have one year from the date of their Level 1 Course attendance to pass the test. In the event that a participant fails the Level 1 test, he or she will have two opportunities to retake the test via the test-only option. A mandatory waiting period of 30 days between attempts is required.

After two failed retests OR failure to pass the test within one year from the date of their course attendance—whichever comes first—participants must reattend the full two-day Level 1 Course. Current fees can be found [here](#).

3.5 TEST ONLY: PARTICIPANT OPTS OUT

Participants have one year from the date of their Level 1 Course attendance to pass the test. In the event that a participant opts out of taking the Level 1 test at the time of course attendance, he or she will have three opportunities to take the test. There is no cost for the first test attempt after the course. A mandatory waiting period of 30 days between attempts is required. After two failed retests OR failure to pass the test within one year from the date of their course attendance—whichever comes first—participants must reattend the full two-day Level 1 Course. Current fees can be found [here](#).

3.6 REVALIDATION: PARTICIPANT PASSES

In the event that a participant passes the Level 1 test, the participant’s Level 1 Certificate is valid for five years from the date of issue. Prior to the certificate’s expiration, CF-L1 Trainers must revalidate their credential by meeting the eligibility requirements and certificate requisites which include reattending the full two-day course and passing the test.

Certificate expiration reminders will be sent via email to the current email address on file. Reminders are sent beginning one year prior to the certificate expiration date. Trainers are responsible for ensuring their contact information is current. Requests for updates can be submitted via the [information update request form](#) on the public [Trainer Directory](#) page.

To remain a current CrossFit Trainer, individuals may instead choose to progress to a higher level credential by earning the CrossFit [Level 2 Trainer Certificate](#) or the CrossFit [Level 3 Trainer Certification](#), which nullifies the Level 1 revalidation requirement.

A current (unexpired) Level 1 Certificate is required for attendance at the Level 2 Course.

3.7 PARTICIPANT CANCELLATION, TEST OR FEE REFUND, OR FAILURE TO APPEAR

CrossFit does not accommodate requests for refunds for courses or tests. Registrants who do not attend the course or sit for the test forfeit all fees. If a registrant has missed the course or test due to emergency or hardship, he or she may contact [seminars@crossfit.com](mailto:seminars@crossfit.com).

Emergencies and/or hardships will be considered on a case-by-case basis.

If a transfer or course credit is granted, credits are valid for six months and are nontransferable.
3.8 COURSE CANCELLATION
In the case where CrossFit needs to cancel the course due to circumstances outside our control, we will refund all course fees.

CrossFit is not responsible for any lost travel costs or other costs incurred outside of course registration.

3.9 ACCOMMODATIONS
Reasonable accommodations for the course and/or test shall be provided to participants with a diagnosed physical or learning disability. Participants are required to submit a written explanation of their needs along with appropriate medical documentation. Requests should be sent to testing@crossfit.com at least two weeks prior to the date of the course. Required forms to apply for special course or test accommodations are included in the Forms section of this handbook (Section 8.2), under Accommodations Request (Section 4.3).

Requests for accommodations must be submitted at least two weeks prior to the course. Last-minute requests cannot be guaranteed for approval.

4 TAKING THE TEST

4.1 TEST ADMINISTRATION
Level 1 tests are administered at all Level 1 Course locations throughout the world. For a list of Level 1 Course locations and availability, see CrossFit.com.

4.2 TEST CONDITIONS
Due to the nature of CrossFit course locations, testing conditions and accommodations may be more austere and/or non-traditional than typically found in testing course locations. Not all course locations will have classrooms; however, CrossFit does require host facilities to have an adequate number of tables or clipboards for all participants taking the test. Participants concerned with environmental conditions affecting their results must communicate this to the course lead instructor prior to the start of the test. Our instructors will do all they can to accommodate participant needs and find comfortable arrangements for the test. If needs or concerns are not communicated before the test begins, the ability to appeal based on test conditions will be forfeited.

4.3 SPECIAL TESTING ACCOMMODATIONS
Reasonable accommodations for testing shall be provided at no cost to participants with a diagnosed physical or learning disability. Participants requiring accommodations must submit a written explanation of their needs to testing@crossfit.com, along with appropriate medical documentation. CrossFit will not reimburse costs associated with obtaining this documentation.

All forms and requests should be scanned and submitted via email to testing@crossfit.com, or faxed to +1 (202) 354-4889. Accommodation Request forms are available in the Forms section of this Handbook (Section 8.2). CrossFit may submit information regarding the stated disability and requested accommodation to its own expert advisers and reserves the right to provide only those reasonable accommodations as required by law.

Requests for accommodations must be submitted at least two weeks prior to the course. Last-minute requests cannot be guaranteed for approval.
4.4 TEST ADMISSION PROCEDURES
Participants must be registered for a Level 1 Course using their legal name in order to sit for the test. **No retest/test-only participants will be accepted at the door unless they have registered online.**

Once registered to take the course, participants will be sent an email confirmation and receipt. The confirmation will contain the participant’s name, the course location, the date of the course and test, and the participant’s CrossFit ID (CFID). Participants must print and bring this confirmation to the course and test.

Organization of participants, distribution of test materials, and testing instructions will begin promptly at the posted start time. The total testing time is 60 minutes, not including time for instructions and materials collection.

For entry to the course, participants must present a government-issued photo ID (such as a valid driver’s license or passport) along with their registration receipt. The name used for course registration must match the name on the government-issued photo ID (i.e., legal name). Course attendance is a prerequisite for on-site testing.

Participants who do not have a confirmation receipt or photo ID, or who miss part of the course will not be permitted to take the test and need to reschedule for a later date.

4.5 TEST HANDLING
CrossFit will take all available precautions to ensure the appropriate and secure handling of completed tests. In the rare and extreme case in which the tests become lost or unreadable, participants will be required to undergo retesting but will not be charged a retest fee. Participants will be responsible for their own travel-associated expenses if travel is required for such a retest. **CrossFit is not responsible for any lost travel costs.**

4.6 TEST IRREGULARITIES
Any problems, suspected instances of cheating, alleged inappropriate test administration, environmental testing conditions severe enough to cause disruption of the process, or other irregularities related to test administration should be addressed to the on-site instructors immediately. All such matters will be reported, investigated, and subject to further action based on policies and procedures adopted by CrossFit.

4.7 TEST RULES
The following are the rules enforced at all test sites:

- All participants must have their registration receipt and proper government-issued photo ID to be admitted.
- Participants are admitted only to their assigned course and test.
- Participants arriving more than five minutes late for the test will not be admitted and will need to reschedule their test.
- No guests are permitted at the course or test.
- No unauthorized reference material, books, papers, or personal items (purses, phones, briefcases, coats, etc.) are allowed in the test area.
- No electronic devices are permitted during the test, including but not limited to cell phones, Blackberries, iPhones, signaling devices such as pagers and alarms, PDAs, and other hand-held computers.
- No copying, writing, photocopying, photographing, memorizing, or otherwise recording or transmitting of testing materials, including but not limited to test questions, answers, layout, or content, is allowed.
- No assisting or soliciting assistance from other participants or those responsible for the administration of the test.
- No test materials, documents, or memoranda of any sort are to be taken from the test site.

Participants may not communicate with other participants during the test. Proctors are authorized to maintain a secure and proper test administration environment, including relocation or expulsion of participants or guests.
Participants may not leave the testing room during the test, barring an emergency situation. In these extreme cases, as deemed by the Lead Instructor, participants may leave and will be escorted. Participants will not be allowed additional time to make up for time lost.

4.8 VIOLATING TEST RULES
If a participant is caught violating testing rules, the participant will be dismissed from the test site and may be declared permanently ineligible for future CrossFit courses and tests. Test proctors are authorized to take immediate and appropriate measures against participants who are caught violating testing rules.

Receipt, possession, or transmission of CrossFit test materials, either before the test, on site, or in the future, including test questions in any form, is a breach of CrossFit policy and is strictly forbidden. CrossFit reserves the right to take whatever measures it deems necessary to protect the integrity of its tests. This could include, but would not necessarily be limited to, exclusion from a current course and test and future courses and tests, and suit for recovery of damages.

5 RESULTS PROCESS

5.1 RESULTS REPORTING
The CrossFit Certification and Training Department is solely responsible for the decision of issuing certificates.

Test results will be delivered to participants via email within seven days from the test date. Individuals will receive a result of pass or fail. No numerical score will be issued. Those who pass the test and meet all certificate requisites are required to sign the CrossFit Level 1 Trainer License Agreement to receive their results, be a valid CF-L1, and receive a Level 1 Certificate.

If an individual wants an additional copy of his or her certificate, or needs a replacement, requests can be sent to certificates@crossfit.com. A fee is associated with each additional certificate.

5.2 PASSING
Participants who pass the Level 1 test and meet all eligibility requirements and certificate requisites will be awarded a Level 1 Certificate, a sample of which is displayed below:
DESIGNATION AND MEANING:
The issuance of a Level 1 Certificate confirms the participant has met all eligibility requirements and certificate requisites, including passing the test.

Attainment of the Level 1 Certificate means individuals have demonstrated a basic understanding of the CrossFit fundamentals, both concepts and movements, presented in the Level 1 Course. This can be a starting point to begin training others and continue successful development as a CrossFit Trainer. It affords the designation of CrossFit Level 1 Trainer (CF-L1), meets CrossFit’s requirement for training others using CrossFit methods, and provides the opportunity to apply for affiliation with CrossFit.

All certificates are nontransferable.

5.2.1  CERTIFICATES
Level 1 Certificates will be individually mailed and can take up to four weeks to arrive for those living in the United States and eight to 12 weeks for those living outside the United States. Certificates of Attendance (those who do not meet the Eligibility Requirements, Certificate Requisites and/or opt out of the test) are sent electronically to the email used to register for the course in the same time frame.

CrossFit will do its best to get a Level 1 Certificate to the participant via regular post. In cases where attempts via regular post are not successful, the individual may elect to have the certificate shipped via FedEx or DHL. The individual will be responsible for these carrier costs. Individuals may also elect to pay for FedEx or DHL before any attempts via regular post. Email certificates@crossfit.com for more information.

5.3  AUTHORIZED USE OF THE LEVEL 1 CERTIFICATE
A participant who has been awarded the CF-L1 may list the qualification on stationery, websites, business cards, and other materials as follows:

Your name, CrossFit Level 1 Trainer (CF-L1 Trainer)

The CF-L1 designation does not allow for the use of the CrossFit name, slogans, art work, photos, or content from the CrossFit Journal or website in any other business or promotional manner.

Only affiliation grants the legal right to use the CrossFit name for business or promotional purposes.

Certificate holders may state they are a CrossFit Level 1 Trainer/CF-L1 Trainer but shall not state or imply that they are certified, registered, or licensed, nor shall they use any other titles or designations to signify the attainment of the certificate other than those identified in this Level 1 Participant Handbook.

5.4  CERTIFICATE EXPIRATION
CrossFit’s information and methods continually evolve and improve with time. To ensure that individuals using CrossFit’s training methods are current in their understanding of CrossFit’s methodology and movement information, The Level 1 Certificate expires five years from the date of issue.

At the end of that period, a trainer must revalidate the Level 1 Certificate by reattending the full two-day course and passing the test in order to reattain his or her credential and continue use of the CF-L1 Trainer designation.

To remain a current CrossFit Trainer, individuals instead may choose to progress to a higher-level credential by earning the CrossFit Level 2 Trainer Certificate or the CrossFit Level 3 Trainer Certification, which will nullify the CF-L1 revalidation requirement.

5.5  REQUEST FOR A DUPLICATE CERTIFICATE:
Participants may request additional copies of their current certificate at any time. Requests must be sent via email to certificates@crossfit.com. Please allow up to four weeks within the United States or eight to 12 weeks for those living outside of the United States for the Level 1 certificates to arrive. There is a fee associated with duplicate certificates. Duplicates and replacements for expired Level 1 Certificates will not be issued.
CrossFit will do its best to get a Level 1 Certificate to the participant via regular post. In cases where attempts via regular post are not successful, the individual may elect to have the certificate shipped via FedEx or DHL. The individual will be responsible for these carrier costs. Individuals may also elect to pay for FedEx or DHL before any attempts via regular post. Email certificates@crossfit.com for more information.

5.6 INVALIDATION OF A CERTIFICATE
A Level 1 Certificate issued can be invalidated only under the condition that the certificate holder is found not to have fulfilled the program’s requirements, including but not limited to attempting to attain the certificate through an unfair advantage or falsification or forgery of personal information.

If such information is found to suggest a participant was granted a certificate under false identity, it will be investigated and documented by the Appeals Board.

5.7 FAILING
Participants who fail the Level 1 test will receive a Certificate of Attendance. A Certificate of Attendance simply documents attendance at a Level 1 Course and does not allow use of the CF-L1 Trainer designation.

Participants who fail the test will be notified via a diagnostic email within seven days from the test date. The diagnostic email will contain a graphic outline of performance in each of the main subject areas of the test. A sample diagnostic report is displayed below:

Each of the subject areas is weighted differently, as indicated in the test blueprint in Section 7.3 of this handbook. The subject-area analysis is provided solely for the purposes of preparing for the next test.

Due to issues of test item security, CrossFit, its instructors and other representatives will not provide information on the exact questions that were answered incorrectly. If participants are having difficulty passing the test, we recommend reattending the course or studying and working with a current CrossFit Trainer who has passed the test.
5.8 REQUESTS FOR MANUAL REVIEW
Should a participant feel there was an error in the scoring of their test, a manual review of the participant’s scorecard by a member of Testing staff can be requested. Requests must be made no later than 21 days after the release of test results. Requests should be sent via email to testing@crossfit.com. The fee for a manual review is $25.

On receipt of a written request and payment of the applicable fee, the participant’s answer sheet will be inspected and manually reviewed and scored by CrossFit’s Testing staff. This process ensures that no stray pencil marks, multiple responses, or other conditions interfered with computer scoring. The manual review request is not an avenue to receive details on questions that were answered incorrectly, and at no time does CrossFit release test materials to the individual tester for review. The results and outcome of the manual review and scoring will be final.

5.9 APPEALS POLICY
An appeal is a formal request to CrossFit for special consideration for accommodation after the test has been scored. It is not an avenue to petition for a Level 1 Certificate using other credentials or personal achievements; it is a case based on perceived technical flaws of the test, test process, or supporting material. Participants must provide a sound and logical rationale regarding the need for special consideration and must use the specified format (below) to have their appeal accepted for consideration and begin the process.

SUBMISSION OF AN APPEAL
An appeal must be lodged no later than 21 days after the release of test results. Letters of appeals shall be submitted via email to testing@crossfit.com or faxed to +1 (202) 354-4889 within 21 days of the test with the word “Appeal” in the subject line of the email.

The Appeals Application is included in the Forms section of this handbook (Section 8.1). Appeals will not be accepted in any other format. Appeals shall include:

- Name of appellant
- Email address of appellant
- Telephone contact number(s) of appellant
- Test taken
- Test location
- Test date
- Reason for appeal. Include as much information as possible and a reasonable rationale for the appeal.
- Outcome desired

All relevant supportive documentation must be included or referenced in the appeal submission. The appeals process is detailed below.

APPEALS PROCESS

Initial Review:
The Training Department staff shall review appeals within seven business days of receipt, and a response will be sent to the appellant via email.

Initial Response:
The response will be one of the following:
• “Appeal Approved/Denied by Department Staff,” along with an explanation for the decision. The denial will include information on appellant’s further recourse if appellant wishes to pursue the appeal.

• “Appeal Forwarded to the Appeals Board,” with information for the appellant about how he/she will be contacted to present the appeal.

• “Appeal Delayed” to allow time to gather further information. Within 30 days appellant will be sent either an “Appeal Denied,” “Appeal Approved,” or “Appeal Forwarded” notification.

Appeals Board Composition:
The Appeals Board shall consist of:

- CrossFit Legal Counsel (1)
- Level 1 Certificate Holders (2)
- An appointed (by the Training Director) member of the Advisory Panel (1)

Final Response:
The individuals who review the appeal must be impartial and have no conflict of interest with the appeal. Where conflict of interest exists, it will be disclosed, and the Appeals Board member will recuse him/herself from the case. The Appeals Board shall meet by teleconference within 30 days of receipt of the appeal.

Written notice of the Appeals Board determination shall be provided to the appellant within 10 business days of the determination. The Appeals Board determination shall be final.

5.10 COMPLAINTS
Complaints are defined as any written communication submitted to any @crossfit.com email alias in which a customer/participant explicitly expresses dissatisfaction regarding any area of service related to the Level 1 but is not expecting a formal outcome. Complaints are determined as such in that they are unsolicited (i.e., not a reply to a course feedback form, test result).

Complaints will be handled primarily by the Training Department staff in an unbiased and timely manner. To ensure an unbiased response, if department staff members receive complaints directly related to themselves or their work functions, they will defer to another staff member in communications (depending on the circumstances). The timeliness and manner of response are monitored daily and assured by Training Department staff.

5.11 PARTICIPANT FEEDBACK
After the course, all participants will receive an email from CrossFit’s Training Department soliciting feedback on all aspects of the course. Additionally, participants can contact coursefeedback@crossfit.com at any time with course or test feedback.

6 PARTICIPANT PRIVACY AND STATUS VERIFICATION

6.1 PARTICIPANT PRIVACY
CrossFit shall safeguard the privacy of individuals, where applicable, and shall hold in confidence and in a secure manner the information obtained in the course of Certificate Program activities at all levels of the organization, including the activities of all personnel (paid, subcontracted, or volunteer) acting on its behalf. Except as required by CrossFit’s internal policies and procedures, information about a particular individual is considered confidential information and shall not be disclosed to a third party by CrossFit personnel (paid, volunteer, or subcontractor) without prior written consent of the individual. Where the law requires information to be disclosed to a third party, the individual shall be notified beforehand of the information provided.

To aid in trainer verification (Section 6.2), CrossFit maintains a Trainer Directory that lists all current CF-L1 Trainers. All individuals who earn the designation of CF-L1 Trainer (i.e., take the course and pass the test) are listed in this database. The database is publicly accessible and lists full name, city, state, and all CrossFit qualifications for those with a valid Level 1 Certificate. Contact information is not listed. However, an option to contact listed trainers through CrossFit’s messaging service is provided. By agreeing to the policies...
and procedures within this handbook, participants agree to be listed in this database. If a CF-L1 trainer does not want to be listed, he or she needs to contact testing@crossfit.com and express this in writing or follow the instructions on the Trainer Directory homepage.

Upon applying for CrossFit affiliation, a participant’s certificate status and contact information may be shared with CrossFit Affiliate Department employees. Affiliate Department personnel shall handle the information securely and in confidence and only for the purpose of verification of eligibility for CrossFit affiliation.

CrossFit may develop and publish statistical data regarding the exams; however, the identities of individual participants will not be divulged.

6.2 CERTIFICATE VERIFICATION

CrossFit maintains a Trainer Directory that lists all current CF-L1 Trainers. All individuals who earn the designation CF-L1 Trainer by meeting all eligibility requirements and certificate requisites are listed in this database. The database is publicly accessible and lists full name, city, state, and all additional CrossFit qualifications for those with a valid Level 1 Certificate or higher. Contact information is not listed. However, an option to contact listed trainers through CrossFit’s messaging service is provided. By agreeing to the policies and procedures within this handbook, participants agree to be listed in this database. If a CF-L1 trainer does not want to be listed, he or she needs to contact testing@crossfit.com and express this in writing.

Third-party requests sent to testing@crossfit.com for verification of an individual’s certificate status shall be responded to electronically. Only an indication of whether or not an individual holds a current Level 1 Certificate shall be provided and, if so, the certificate term. We do not disclose scores or the status of unsuccessful candidates (i.e., we do not say participants have failed).

Participants/certificate holders may contact testing@crossfit.com at any time for verification of their own status, term of validity, to obtain a duplicate/replacement certificate, or to update his/her contact information.

7.4 STUDYING FOR THE TEST

- Attend the Level 1 Course (required).
- Review the sample test questions (Section 7.5).
- Study the CrossFit [Level 1 Training Guide](#). Be sure to use this link, as it contains updates from all previous versions.
  - Use the pictures in the Level 1 Training Guide and/or self-study of human movement to critically analyze the anatomical positions and relationships found in functional movement. Be able to apply our concepts and methodology to coaching others.
- The learning objectives outline in Section 7.1 can also be used as a study tool by using each bullet point to test understanding of the material.
- The Responsible Training article and summary of the CrossFit Trainer License Agreement in the Level 1 Training Guide are covered in the test but are not specifically discussed at the course.

The test is based on the Level 1 material, which is comprised of BOTH the Level 1 Course and the [Level 1 Training Guide](#). Neither by itself is considered the entirety of the material from which the questions are derived.

7.5 TEST-TAKING STRATEGIES

We recommend that participants read each question carefully and be sure to pay attention to key phrases like ‘best,’ ‘most important,’ ‘least,’ etc. Try not to overanalyze the test questions; they are written to be as straightforward as possible. While more than one answer may contain correct CrossFit terminology or methodology, there is only one correct answer in relation to the question. We are looking for the most obvious answer. There are no trick questions or hidden meanings.

Some incorrect answers may be plausible answers according to other fitness-related sources, but the test of the Level 1 Certificate Course is specific to CrossFit. The goal is to assess a participant’s understanding of CrossFit methodology, terminology, and movements as presented at the Level 1 Course and in the training guide. The Level 1 test questions are not derived from or based on any other fitness source, related fields, or materials.
7.6  SAMPLE TEST QUESTIONS
These are items (i.e., test questions) similar to those that may appear on the Level 1 test. These specific example items do not appear on the test.

The CrossFit prescription of "relative intensity" refers primarily to scaling workouts based on:

  a) The force and time of the workout.
  b) The nutrition of the athlete.
  c) The amount of recovery between workouts.
  d) The physical and psychological tolerances of the individual.

Preparing an athlete for the unforeseen, unknown, and unknowable aspects of life, sport, and combat is best accomplished through which of the following?

  a) Intensity
  b) Functional movements
  c) Power
  d) Variance

The element in the push jerk that differentiates it from other pressing variations is the

  a) flexion of the hips and knees in the receiving position.
  b) elbows slightly in front of the bar in the rack position.
  c) extension of the hips.
  d) width of the grip on the barbell.

The cue in the image shown below is BEST used to fix which fault:

a) Lack of hip extension
b) Pulling early with the arms
c) Curling the ball
d) Receiving with low elbows

VOLUNTARILY AND EXPRESSLY AGREE TO ACCEPT AND ASSUME ALL RISK OF LOSS, DAMAGES, THEFT, INJURY OR DEATH THAT MAY OCCUR TO ME OR MY PROPERTY AS A RESULT OF OR INCIDENT TO MY PARTICIPATION IN THE CROSSFIT EVENT OR FROM ANY PRIZES THAT MAY BE AWARDED TO ME IN CONNECTION WITH THE CROSSFIT EVENT, INCLUDING THE RISK I MAY BE INJURED BY THE ACTIONS OR NEGLIGENCE OF THE RELEASED PARTIES, OTHER PARTICIPANTS OR THIRD PARTIES WHILE PARTICIPATING IN THE CROSSFIT EVENT OR VISITING, TRAVELING TO OR FROM OR USING OR VISITING THE VENUE. I understand and agree that by agreeing to this Agreement, I am assuming full responsibility for any and all risk of death, serious personal injury, temporary or permanent disability, or property loss and/or damage suffered by me or my property in connection with the CrossFit Event or while visiting, traveling to or using the Venue. I understand and agree that this Agreement will be binding on me, my spouse (or registered domestic partner), my guardians, the executors or administrators of my estate, my heirs, my personal representatives, my assigns, my successors in interest, my children, and any guardian ad litem for said children (collectively, the “Releasors”). I accept full and complete responsibility for the safety of myself, any guests, observers or other individuals who I have invited to the Venue, and property, and I assume the risk of damage, theft, loss or injury caused by others to me, my guests and property.

6. Liability Release and Waiver of Claims. On behalf of the Releasors and in consideration for being allowed to participate in the CrossFit Event and/or use of the Venue, I HEREBY WAIVE, RELEASE AND FOREVER DISCHARGE ANY AND ALL CLAIMS OR CAUSES OF ACTION, NOW KNOWN OR HEREAFTER KNOWN IN ANY JURISDICTION THROUGHOUT THE WORLD, AGAINST THE RELEASED PARTIES, INCLUDING, WITHOUT LIMITATION, ANY BODILY INJURY OR DISABILITY, ILLNESS OR DISEASE, ACCIDENT, DEATH, FINANCIAL LOSS, PROPERTY LOSS, DAMAGE, DESTRUCTION, DELAY, INCONVENIENCE OR OTHER HARM OF WHATEVER NATURE THAT MAY BE DIRECTLY OR INDIRECTLY RELATED TO, ARISING FROM OR SUSTAINED FROM PARTICIPATION IN THE CROSSFIT EVENT AND/OR TRAVEL TO OR FROM OR VISIT TO OR USE OF THE VENUE OR ACTIVITIES RELATED THERETO, NEGLIGENCE OR EMERGENCY RESPONSE OF THE RELEASED PARTIES OR OTHER NEGLIGENT ACT OR OMISSION OF ANY EXPRESS OR IMPLIED WARRANTY OF ANY RELEASED PARTIES OR OTHERWISE, provided that nothing in this Section 6 shall be deemed to release any Released Party from liability arising from their own willful or intentional injury to me or my property. The claims released hereby include, but are not limited to, any claims I may now have or may hereafter acquire resulting from injury, death, or property damage sustained by me, or to any property that I may own or have rented, leased or borrowed or have in my possession.

I expressly waive the provisions and protections of Section 1542 of the California Civil Code and any similar law of any jurisdiction. I understand that Section 1542 provides as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

I expressly acknowledge and understand the significance, effects and consequence of a waiver of Section 1542 and hereby assume full responsibility for such a waiver.

7. Unpredictability of Cause; Personal Responsibility. I agree and acknowledge that the Released Parties do not accept any responsibility for injury, illness, loss, or damages suffered by me and that obtaining insurance to cover these risks is my own responsibility. I assume all risk of personal injury, sickness, or death, and damage to or loss of my belongings and property, and any and all other delay, inconvenience, damage, loss or other expenses I may suffer as a result of or in connection with the CrossFit Event. I agree to be fully responsible for my actions. I assume responsibility for my safety and that of others, including injuries, property damage and harm, to the fullest extent possible and regardless of the acts or omissions of others.

8. Personal Property. I agree that I am responsible for the security and safety of my own property and any personal effects I use, bring to or leave at the Venue or otherwise related to the CrossFit Event, and that the Released Parties cannot guaranty the security or safety of my property. Should I leave any property at the Venue or otherwise in the custody of the Released Parties, I do so at my sole and absolute risk. None of the Released Parties shall have any liability to me or anyone else in the event of loss, damage, destruction or use, whether authorized or not, by any person or theft of any such property.
9. **Indemnification.** I AGREE TO INDEMNIFY, DEFEND AND HOLD HARMLESS THE RELEASED PARTIES, JOINTLY AND SEVERALLY, FROM AND AGAINST ANY AND ALL CLAIMS, ACTIONS, DEMANDS, RIGHTS, LOSSES, COSTS, DAMAGES, EXPENSES, SETTLEMENTS, JUDGMENTS, CAUSES OF ACTION AND LIABILITIES OF ANY KIND WHATSOEVER, WHETHER FORESEEN OR UNFORESEEN, INCLUDING ATTORNEYS’ FEES, IN LAW OR IN EQUITY, ARISING OUT OF OR RESULTING FROM ANY CLAIM RELATED TO MY PARTICIPATION IN THE CROSSFIT EVENT, INCLUDING WITHOUT LIMITATION MY BREACH OF THIS AGREEMENT OR THE CROSSFIT EVENT RULES AND POLICIES, OR FROM ANY INDIVIDUAL I INVITE TO THE CROSSFIT EVENT OR VENUE OR ANY OTHER THIRD PARTY CLAIM RELATED TO THE CROSSFIT EVENT.

10. **Promise Not to Bring Suit.** I hereby agree and covenant not to, and shall cause the Releasors not to, bring a claim against, sue, demand compensation from or attach the property or assets of the Released Parties or any of them, for any loss or damage arising or resulting from my participation in the CrossFit Event or my travel to or from or presence at the Venue, and forever release and discharge the Released Parties or any of them from liability under such claims.
